

## **Volunteer Job Description**

### **Food and Distribution Centre – Hamper Preparation**

#### **About The Mustard Seed**

The Mustard Seed is a non-profit organization devoted to fighting hunger and restoring faith in Greater Victoria. We provide many crucial services for people in need. From food to friendship, we aim to meet the physical, relational, and spiritual needs of the whole person. Our operations are nearly 100 percent community funded; these include the region's largest and most accessible Food Bank, the Food Security Distribution Centre serving 60+ organizations in the capital region, Family back-to-school and Christmas supports, Hospitality programs, services at Hope Farm Healing Centre as well as Church services.

#### **Job Summary**

The Food Rescue and Distribution Centre is a warehouse from which The Mustard Seed, in partnership with the Food Share Network, serves approximately 70 agencies who support the CRD's most vulnerable people (families, individuals, those living outside etc). We receive from 10-12,000 pounds of produce, dairy, meat, bread each day, which we then sort through and re-organize for distribution into the community. The warehouse can be very noisy and potentially hazardous, as there are 2 forklifts, 2 power jacks, several hand jacks, trucks being loaded and unloaded, and often construction/repairs happening throughout each day. It is very important that volunteers are mindful of their surroundings and follow all safety precautions. There are a variety of different stations within the Food Rescue and Distribution Centre: Fruit Rescue; Hamper Preparation; Kitchen Help; Produce Line; and Warehouse Assistant. Each station has slightly different responsibilities, though all of them are very physical in nature and require volunteers to stand for extended periods of time. Volunteers working on hamper preparation are primarily responsible for making our pre-made dry/canned goods hampers for distribution through several different agencies.
